

KTEB Chief Pilot Webinar Agenda
May 7th @ 1100 EST

Teterboro Airport welcomes airport users, pilots in particular, to participate in our semi-annual Chief Pilot Webinar. A draft agenda follows and we welcome agenda items from our users.

1. **RUNWAY SAFETY:** The Federal Aviation Administration (FAA) has made the reduction of Runway Incursions and Surface Incidents one of its top priorities. As part of this webinar, the FAA will report on present and future plans to improve Runway Safety at KTEB. The operation of the airport will be discussed, including the review of past runway incursions and surface incidents.
2. **RNAV for LGA RWY 13:** This procedure will be published on April 1st in order to deconflict LGA from KTEB and KEWR. We'll hear how it has been working.
3. **Wake ReCat:** This procedure was published on March 1st and may have some impacts to KTEB. We'll hear how it has been working in the NY Airspace.
4. **RNAV (GPS) RWY 24:** We'll have an report on this new procedure as well as the **RNAV (GPS) Y RWY 19.**
5. **Nighttime Noise:** We'll have a brief report from our Noise office regarding night time flights.
6. **AIRPORT CONSTRUCTION:** A brief update on Airport Construction for 2015 will be provided.

Please forward any additional agenda items to pwalden@panynj.gov
